Personal Statement

Motivated and detail-oriented **Full-Stack Web Developer** with hands-on experience in building dynamic, scalable, and user-friendly web applications. Skilled in **HTML, CSS, JavaScript, React** on the frontend, and currently expanding expertise in **Node.js, Express, and MongoDB** through full-stack projects. Adept at designing APIs, integrating databases, and collaborating with cross-functional teams to deliver seamless digital solutions. With a background in IT support and strong problem-solving ability, I bring creativity, adaptability, and a continuous learning mindset to every project.

Core Skills

- **Frontend:** HTML5, CSS3, JavaScript, React, Bootstrap, Responsive Web Design, UI/UX Fundamentals
- **Backend:** Node.js, Express.js, RESTful API Development, MongoDB (learning through real projects)
- **Version Control:** Git & GitHub
- **Other Skills:** IT Support & Troubleshooting, Problem-Solving, Cross-Team Collaboration

Professional Experience

DigitED Technology — IT Officer

Feb 2021 – Mar 2022

- Delivered IT support and programming training while maintaining smooth technical operations.
- Supported web-based applications, enabling exposure to frontend and backend workflows.
  Key Achievements:
- Trained 50+ students on computer literacy and programming fundamentals.
- Maintained 100% uptime of computer lab systems.
- Gained practical exposure to frontend and backend development alongside IT support duties.

DTL Systems Limited — ICT Intern

Mar 2017 – Mar 2018

- Assisted in hardware/software configuration, installation, and client system support.
- Provided end-user training and technical support to improve customer satisfaction.

Project Experience

Full-Stack E-Commerce App (Ongoing Project) — React, Node.js, Express, MongoDB

- Developing a complete e-commerce platform with **frontend in React** and **backend APIs in Node.js/Express**.
- Implemented **MongoDB for product and user data management**.
- Designed **RESTful APIs** to handle cart, checkout, and authentication.

Awake Emporium Fabric Store — React, CSS, JavaScript

- Built a modern e-commerce fabric store with product catalog and shopping cart functionality.
- Created responsive layouts and reusable components for scalability.

Portfolio Website — HTML, CSS, JavaScript

- Built and hosted a portfolio website showcasing projects, resume, and contact form.
- Designed mobile-responsive layouts with animations and smooth scrolling.

To-Do List Web App — HTML, CSS, JavaScript

- Developed a task management app with Local Storage for persistence.
- Focused on a clean, intuitive UI for seamless user experience.

Education

Moshood Abiola Polytechnic — Higher National Diploma (HND), Computer Engineering

Ogun State, Nigeria — 2021

Certifications

- Frontend Web Development — Simplilearn, 2025
- Jobberman Soft-Skills Training — Jobberman, 2023
- Basic Computer Appreciation & CorelDRAW — Solomot Computers, 2022
- Microsoft Office Specialist (Word) — Microsoft, 2018

Technical Tools

- **Frontend & Design:** HTML5, CSS3, JavaScript, React, Bootstrap, Figma
- **Backend & Databases:** Node.js, Express.js, MongoDB (project experience)
- **Version Control:** Git, GitHub
- **Collaboration:** Microsoft Office Suite, Slack, Trello
- **Systems:** Windows, MacOS
- **Editors & Platforms:** VS Code, GitHub Pages, Vercel
